## A HUAWEI P8 LITE SMARTPHONE

### Light on price, heavy on features:

Simplicity, performance and affordability have been combined perfectly in the smartphone from Huawei, the P8 Lite. The 2GB RAM and eight-core 64-bit processor in no way hamper the P8 Lite's performance, which brings to life visual content on its 5" HD display.

The P8 Lite has inherited the superb optics that has made the P8 such a popular device with users who demand creative control. The 13MP rear-facing camera, complemented by the 5MP front-facing camera, deliver unparalleled professional-quality photographic and moving image results.

This hardware is augmented by Huawei's Image Sharpening Algorithm that produces outstanding high-definition photos no matter the lighting conditions, which is further enhanced through the 'I Shine' self-enhancing function for portrait photos that includes face smoothing, whitening, slimming, and eye enhancement. This functionality is extended to the video recording as well as and video calling features.

To enter, log on to [competitions.hi-online.co.za](http://competitions.hi-online.co.za)

Competition closes 30/09/2016. Winner will be randomly selected by means of an automated system. Winner will be notified telephonically or by SMS. The prize is not transferrable or exchangeable for cash or otherwise. The judge's decision is final and no correspondence will be entered into. TFG (The Foschini Group), Vodacom and Huawei employees are not eligible to enter. Colour of prize may vary slightly from image shown. The prize will be hand delivered. Pricing valid until 30/09/2016. E&OE.
