### Introducing the new Galaxy S6 range.

We've looked ahead to what's next and made it happen now. Designed almost completely out of custom-made Gorilla® glass, the Galaxy S6 range pushes the limits of design and redefines beauty. Only 10 minutes of charging now gives you 4 hours of battery power. And with immediate Auto-Focus, the Galaxy S6 and S6 Edge offer cameras that are more responsive than anything you've ever experienced.
